To whom it may concern,

The Woodsviking Outdoors & Outfitters (WOO) Predator Hunt benefitting A Soldier's Child Foundation (ASC) is taking place on January 29, 2022, and January 30, 2022. This event will raise awareness and funds for the boys and girls who have lost a military parent defending our freedoms. The event will be held at the Bullseye Gun Range in Murfreesboro. **We are looking to raise \$20,000 for ASC.**

We cannot meet our goal without the help of people like you.

Will you join us? Would you donate \$250 to help sponsor our event?

By sponsoring the WOO Predator Hunt, you will be able to help us fully fund A Soldier's Child Foundation's 4-day Youth Hunt/Fish/Adventure Camp in October 2022. Over 40 ASC children will experience a once in a lifetime event hunting whitetail deer, fishing, ziplining, high ropes, and other camp adventures. Bringing these children together from all over the country allows them to build life-long relationships and find hope for their hurting hearts.

Please make all your donations out to A Soldier's Child Foundation, 1197 Hazelwood Drive, Suite 104, Smyrna, TN 37167, or stop in and see Shawn at Woodsviking Barbershop, 15 S Public Square, Murfreesboro, TN 37130.

Thank you in advance for your sponsorship!

Sincerely,

Shawn Templeton
